Hospital Convention
CONVEHO

The Event of the European Hospitals

INVITATION FOR HOSPITAL PROFESSIONALS

BORO Communication, in partnership with HOPE - European Hospital and Healthcare Federation, UEHP - European Union of Private Hospitals and FEAM - Federation of European Academies of Medicine, invite you to the **European Hospital Convention CONVEHO 2023**, in Brussels, on November 17th, at the Sheraton Airport Hotel.

The 2023 edition theme is "Healthcare Together", signifying the importance of collaboration and collective action in improving our healthcare systems, having the hospital at the center of the systems, as the vital space of the community.

We encourage the **hospitals across Europe** to form delegations to attend CONVEHO.

This is an excellent opportunity for group learning, fostering institutional relationships, and promoting a sense of unity within the **European healthcare community**.
